# Enhance your home entertainment experience with the new Dell 34 Curved Monitor – S3422DW

From its exterior styling and interior architecture to the best-in-class technology, Dell is proud of our deep heritage in pushing the boundaries in design, innovation and performance.

Dell 34 Curved Monitor – S3422DW

Introducing the new Dell 34 Curved Monitor – S3422DW featuring a sleek, new design in Platinum Silver color with three-sided ultrathin bezel design.

Whether you are streaming your favorite shows, leisurely gaming or complementing your home office setup, this 34" lifestyle-inspired monitor offers you panoramic views in an ultrawide WQHD (3440 x 1440) curved screen and lets you enjoy immersive viewing in incredible clarity and fine detail.

Crafted for your comfort with a height-adjustable stand and tilt feature for a comfortable setup all day long or hook it up on the wall with a compatible VESA mount. Features integrated speakers, 99% sRGB and 90% DCI-P3 wider color coverage and AMD FreeSync™ technology for your everyday lifestyle.

**Availability:**  
20 April 2021 (Global)  
**Starting price:** USD 649.99

## 1| Beautiful Design

A small footprint in the form of a sleek, fan-shaped base and the subtle textured pattern at the back of the monitor adds a modern flair that works well with today's open concept décor.

## 2| Immersive Entertainment

The curved 1800R screen on S3422DW expands your field of vision with an ultrawide 21:9 aspect ratio and provides a wrap-around view for an immersive movie experience.

## 3| Integrated Features

A myriad of integrated features to elevate your home entertainment experience or personal productivity with built-in speakers, dual HDMI ports, Dell Display Manager, AMD FreeSync™ technology.

## 4| TUV Certified

Easy on your eyes – This monitor comes with TUV-certified Dell's ComfortView# feature with flicker-free screen.

#reduces harmful blue light emission and optimizes eye comfort

## 5| Superb Reliability

For the first time ever—Dell Premium Panel Exchange is now available on the new S-series allows a free panel replacement during the Limited Hardware Warranty<sup>1</sup> period even if only one bright pixel is found.

Minimize downtime with 1 or 3-year Advanced Exchange Service<sup>2</sup>.

## 6| Better for the environment

We've reduced our manufacturing impact on the environment with this monitor, which contains at least 25% post-consumer recycled plastics<sup>^</sup> and is shipped styrofoam-free, all in packaging made of at least 75% recycled cardboard.

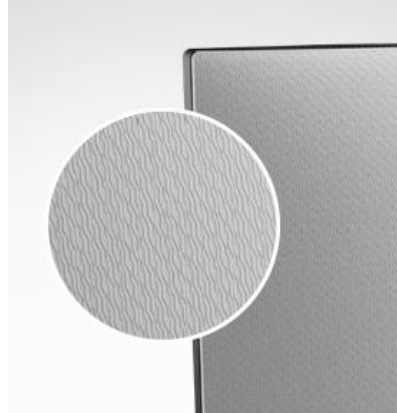

<sup>^</sup>Based on Dell internal analysis, Jan 2021. 25% post-consumer recycled plastics refers to the monitor's enclosure, including the stand
